

In 1964, an eight year old boy named Robert had a dream of becoming a farmer. His Grandpa Ellison gave him a bred gilt and thus began the journey, beginning with many years in 4-H with country & state fair champions.

In 1977, he married his high school sweetheart, Jody. Together, they have continued , raising and breeding gilts, boars and 4-H Club pigs.

Three sons, Michael, Christopher and Adam, as soon as they were able, helped in the barn with chores and soon began showing in 4-H achieving much success in showing with showmanship and many, many champions.

With the addition of three daughter-in-laws and grandchildren, we are continuing our journey with much anticipation of the future!
